CORRECTIONAL FACILITY DISTURBANCE

POLICY

Handling disturbances at correctional facilities is primarily the responsibility of the Department of Public Safety. The Honolulu Police Department may provide assistance when it is requested.

PROCEDURE

I. RESPONSIBILITIES

- A. District commands shall establish and maintain plans to provide preliminary outside perimeter assistance at facilities in their districts.
- B. The Specialized Services Division (SSD) shall coordinate and be in command of police assistance at correctional facility disturbances.

II. POLICE RESPONSE

- A. The SSD shall be notified immediately by the Communications Division when a request for police assistance to a correctional facility disturbance is received.
- B. The responsible district command shall evaluate the situation, establish a temporary command post, and make the appropriate outer perimeter assignments.
