Policy Number 4.58

REQUESTING EMERGENCY SERVICES

POLICY

Officers shall be guided by this directive when requesting emergency services (e.g., ambulance, fire, etc.) to treat ill or injured persons.

PROCEDURE

- I. The officer at the scene shall determine if an ambulance or other emergency service is needed.
- II. The officer shall then inform the Communications Division of the following:
 - A. The location where the service is needed;
 - B. The number of persons involved (ill or injured); and
 - C. The reason for the ambulance (e.g., Injured Cared For, Sick Cared For, vehicle collision, shooting, stabbing, etc.).
- III. The Communications Division shall notify the emergency medical services dispatch center of the details provided by the requesting officer.
